## Train with Mike Holt

Add excitement to your classroom

**If you want to become a Top Gun instructor, now is the time to attend!**

Would you like to get some one-on-one time with Mike to help you take your training to the next level? Join us for this two-day intensive workshop that brings instructors from all over the country together. Learn cutting-edge techniques of instructional design, evaluation, and dynamic delivery methods. Master the principles of adult learning and performance-based training; learn how to use new teaching tools and products; employ PowerPoint presentations; and most of all, find out how "Mike does it."

This conference has been set up to precede our two-day Continuing Education Seminars which are held in June and July every year. This not only gives instructors the opportunity to learn how to teach more effectively, but they can also extend their stay and attend Mike's Success Seminar and Grounding versus Bonding Seminar. It's the total experience and a chance to really see Mike in action! To receive in-depth personal training with Mike Holt, PLUS \$300 worth of FREE products, reserve your seat today!
