“
The real-life applications, the ability to network, the alerts to changes in codes or laws at Mike's seminars are priceless.
- Tonia L.

”

Training For Success

Discover the transformative power of a Mike Holt CEU Seminar, where inspiration meets unparalleled expertise. Few topics challenge electricians more than bonding and grounding, but Mike's unique ability to simplify and clarify these critical concepts sets this program apart. With real-world examples and clear explanations, you'll master even the most complex and challenging NEC rules, ensuring compliant installations. Whether you're designing, installing, inspecting, or troubleshooting electrical installations, this seminar provides the knowledge, confidence, and motivation that will help you succeed.

5 Reasons to Sign-up Today

1. Expert Code training with Mike.
2. Approved for CEUs across the U.S.
3. Get motivated and upgrade your business skills.
4. Connect with others in the field and make new friends.
5. We make getting your CEUs easy.
