Do you want to become a Top Gun instructor like Mike Holt? Would you like to get some one-on-one time with Mike to help you take your training program to the next level? Then attend Mike's 2007 Top Gun Instructor Conference in Orlando or Coral Springs Florida.

Spend a few days learning cutting-edge techniques of instructional design, evaluation, and dynamic delivery methods. Master the principles of adult learning and performance-based training; learn how to use new teaching tools and products; employ PowerPoint presentations; and most of all, find out how "Mike does it."

This conference has been set up to precede our two-day Continuing Education Seminars which are held in June and July every year. This not only gives instructors the opportunity to learn how to teach more effectively, but they can also extend their stay and attend Mike's Business Management and the National Electrical Code Update Seminar.
